

**Tired of managing prescriptions  
for your chronic condition?**

**Simplify Your Health with the  
Chronic Medication Refill Program!**

# How Does It Work? It's Simple!

## Who Can Benefit?

Our program primarily covers medications for common chronic conditions, including:

- Diabetes Mellitus
- Hyperlipidemia
- Hypertension
- Hypothyroidism
- Hyperuricemia

## Unlock These Amazing Advantages

### Boost Your Compliance

Stay consistent with your medication, reducing the risk of complications.

### Save Money

- Avoid co-payment or co-insurance on consultation fees.

### Convenience

- Get up to 3 months of chronic medication in one refill.
- Free home delivery to your chosen address within 24 hours.
- Automated notifications so you never miss a refill.

## We cover over 1300 drugs with continuous additions!

(Note: Medications requiring additional adjudication steps, like certain GLP-1 agonists for Diabetes Mellitus, are not included.)

**Ready to Simplify Your Life?**
